## ADMINISTRATORS' SNAPSHOT

---

- Getting the whole PBiS picture for your school—What is PBiS exactly?
- Focusing on the PBiS training —What do we need to do?
- Setting your sights toward the implementation process—What's our focus?
- Developing your school's strategy for successful PBiS— How do we apply?
- How does our school fit into the big picture of scale up?- Do we fit?
- Is PBiS the right process for our school?
- Technical support for the process— What can we expect of NDE?
